Issue Date: September 19, 2019

Topic: CAS2Net System Outage Notification

Discussion: A CAS2Net system outage is scheduled on 20 September 2019 from 5:30PM (1730) EST to 8:00PM (2000) EST. Please note that CAS2Net will be unavailable during this timeframe. This outage will provide time for some necessary maintenance to help improve CAS2Net system performance and availability.

Action: Please inform your staff of the upcoming CAS2Net System Outage Notification for September 20, 2019.

Note: If you have any questions please email the AcqDemo Program Office, AcqDemo.Contact@hci.mil.
